

WHAT IF YOU COULD EDUCATE THEIR HEART?

Every day we hear from young people who don't like school, who can't get work, and who struggle with learning or mental health issues, mixed family backgrounds, and who have very low confidence.

Tutors and Social Workers who care about more than credits make a big difference:

"I spent a whole term at school doing nothing, feeling dumb in a way. I wanted a place where I'd be able to learn. If it wasn't for the [VisionWest] tutors, I don't know where I'd be. Now I know I'm going to go somewhere."

The Youth Programme at VisionWest Education & Training Centre equips young people with skills for study and career goals. This means free tuition, field trips, work experience, social work and counselling support. The funding shortfall to engage a young person in the programme is more than \$1800 every year. Your support means youth are engaged, and have the confidence to achieve their dreams. The Education & Training Centre is part of VisionWest Community Trust, which exists to meet needs of people in West Auckland and beyond.
