

## WOULD YOU PAY FOR DINNER?

Every day we hear from people who are financially stretched for a whole lot of reasons – unexpected bills, relationship issues, and many others besides.

A small quantity of food can make a big difference.

*“It can be tough when the budget is tight already and then something hits you – this week, I had a larger than expected car repair bill – being able to get a food parcel means we can still eat – a little help really does go a long way.” (Monica’s Mum)*

VisionWest Food Bank provides emergency food parcels for low income families and individuals. Each parcel is worth more than \$25 and lasts a family 2 to 3 days. Your support means families like Monica's can have food on their table. The Food Bank is part of VisionWest Community Trust which exists to meet needs of people in West Auckland and beyond – emotionally, physically and spiritually supporting them in any way we can.
